**REVOCATION OF POWER OF ATTORNEY AND
GRANT OF NEW POWER OF ATTORNEY**

The undersigned, a representative authorized to sign on behalf of the assignee owning all of the interest in this patent application, hereby revokes all previous powers of attorney or authorization of agent granted in this application before the date of execution hereof. The undersigned verifies that **Eastman Chemical Company** is the assignee of the entire right, title, and interest in the patent application identified above by virtue of an assignment transferring title from AvMax, Inc. to Eastman Chemical Company recorded in the U.S. Patent and Trademark Office, Reel 016759, Frame 0555. AvMax, Inc. was the previous assignee of record by virtue of an assignment from the inventors to AvMax, Inc. filed in the U.S. Patent and Trademark Office, Reel

012338, Frame 0886. The undersigned certifies that the evidentiary documents have been reviewed and to the best of the undersigned's knowledge and belief, title is in the assignee **Eastman Chemical Company**.

The undersigned hereby grants its power of attorney to **FINNEGAN, HENDERSON, FARABOW, GARRETT & DUNNER, L.L.P., Customer Number 22,852**, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, and to receive the Letters Patent.

Please send all future correspondence concerning this application to Finnegan, Henderson, Farabow, Garrett & Dunner, L.L.P., Customer No. 22,852, at 901 New York Avenue NW, Washington, DC 20001.
